Payment of Fees Policy

Lucy Morice Kindergarten is a Department of Education and Child Development Kindergarten and is therefore not-for-profit. This means that all money received from fees is to cover the running of the program and utilities. This kindergarten holds regular fundraising events with which we appreciate the support of parents and the community. There is an optional fundraising levy for families each term.

Fees are published in the kindergarten handbook.

Kindergarten fees are set by the Governing Council and reviewed each year.

Fees as at January 2015:

2x full days + alternate Fridays \$215.00 per term

+

\$20.00 optional fundraising levy per term

Kindergarten fees need to be paid in full approximately 4 weeks after receipt of invoice. If you are experiencing difficulty in the payment of fees please contact the Director as soon as possible.

Fees are payable for the whole term whether the term is interrupted by holidays (other than schools holidays), closure days or sickness. Each Kindergarten has DECD approval for 2 closure days per year for staff professional development. Parents will be notified of these days in advance.
