

QA7
Leadership and Service Management

We will continuously review our goals to ensure timelines are met
We will actively promote all services at LMK, to the community

QA1
Educational program and practice

We will intentionally support children's vocabulary development
We will support children to have a sound understanding of number
We will explore teaching techniques that encourage conversations with and amongst children

QA2
Children's Health and Safety

We will support children to be resilient and optimistic, as part of a growth mind set

QA6
Collaborative Partnerships with families and the community

We will support parents in their role and provide opportunities for networking

Goal
To deliver the best possible early childhood education and care service to the community. Our program is based on the principles and practices of the Early Years Learning Framework of Australia. It is play based and supports, in every child, a sense of belonging, and active engagement in learning.

QA3
Physical Environment

We will maintain and upgrade natural play spaces
We will refresh and modernise the bathroom

QA5
Relationships with children

Children will have an authentic voice in our program plans and delivery

QA4
Staffing Arrangements

Staff will engage in professional learning to support the goals in quality area 1

Staff will have a better understanding of "meeting exceeding" NQS
